I Am Writing in
regards of your letter which I rec.
- Only a few days ago & I was very
glad to hear from you the reason
I was delayed in answering is that
I was looking up Spike Washington
I fail to locate him at all but I
saw Mr. Greer I also told him
about your plans & what you wanted
to do & he said he received your letter
but he couldn't answer because
he didn't have satisfaction about the
park he is suggestion now for the
park & he won't know about it before
Monday which will be the 17th of Feb.
& he say that he will write you all
the details as soon as he get that
straight & I was up to see Mrs
Kirkpatrick & she say she will take

I would like to know so I will
know how to arrange for this season.
Well we are not having such bad
weather here this winter so I will
temporarily close for this time
the boys all join me in sending
my regards to you & the Madam
& I am looking to hear from you
real soon & I also think you
will be hearing from me

I am very soon

I will remain yours in
Sport

The whole team & she ask me to
just let her know in time when you
are coming so she can prepare for
you. I am sure you can get the park
9.00. See about that my self but from
eleven until three is your hours &
they only will let us have the park but
about six hours because there will be
other attraction there in the after
noon so you can split the six hours
with this team here make it alright
now if you want me to continue to try
to see Mr Washington I will & tell
him what you say. how is the boys
all please say hello to them all for
me & tell me what have they done
about the Yankees & the players do
we still have to play with them now
about that feller you was telling me
about is he going to take them over
or not if similar going to have them
again I won't play with them please
write me the whole fact about it
